

# TRANSPORT KIROOL TROLLEY

## Assembly notice

You have just purchased the transport kirool trolley from RTM.

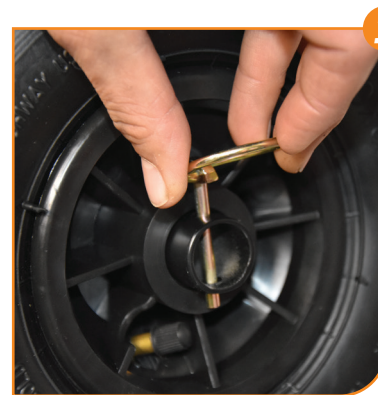

This transport trolley is delivered unassembled in a cardboard box. We strongly advise you to keep these instructions and user manual.

Contents: 1 base, 2 pins, 2 S-brackets and 2 wheels

Insert the wheel in the axis of the base

Fix the pin to block the wheel

Insert the S-bracket into the hole

Place the bracket backwards

Tighten a little bit.  
The 2 supports must be mobile.

Place the cart under the kayak using the self-bailing holes.
